I. Big Jackpot Betting/Other Options

- a) Discussion regarding other options beyond Big Jackpot Betting.
- b) Idea: Twin Superfecta at 20 cent increments with us seeding the pool
- c) Another idea is the twin trifecta, requires winning trifecta in consecutive races and popular many places. However, no owner/kennel can have 2 dogs in the same race. How hard would it be to draw without a kennel having 2 dogs in the race?
- d) We would seed it and would get people to play. Pay out half wagers to winners of trifecta and other half goes to second half and that accumulates.
- e) Come back this week with a recommendation after consulting further with Carp/Jean
- f) Another option: Seeded Pick 4, easy bet to do on-line. What about Pick 6? Can you do it online?
 - Pick 6, dog from each kennel or? If so, may not be able to do pick 6
- g) More research will be done regarding this
